Voyage to Repower

This 15-week, **part-time** course for **18 to 24-year-olds** will prepare you to apply for jobs in the energy sector. It includes **employability** and **personal development** sessions, **inspirational speakers**, and **exploration sessions** on subjects like:

- Solar Panel Installation & Retrofit
- Communications Tools & Social Media
 - IT & Coding
 - Finance

It will also include formal **training** opportunities, **mentoring** and support with **job searching** and apprenticeships.

The next course begins in September.
Interviews on 3 August.

**To apply, email julia.dunlop@repowering.org.uk
or phone 07736 772005**

Voyage to Repower is a collaboration between Voyage and Repowering London, which empowers Londoners to build a fair, green, energy future.
